Trumpets

“[The Sonaré trumpet] has a solid, meaty tone, yet the trumpet responds as if it were lighter, with notes that slot well and are easy to center...”

—MIKE PAVLIK, Downbeat Magazine
January 2006

“Spectacular!...Rich and Brilliant...
Intonation is superior...The response
factor is as good as in any trumpet
I’ve played.”

—ROGER BLACKBURN (no relation to
Cliff Blackburn), The Philadelphia Orchestra

“I really enjoy my new [Sonaré] horn. I played a Bach Strad for 15 years ... This has many of the positive qualities of that instrument, but it is much easier to play in tune [and] ... with a very focused sound.”

—DAVID FERGUSON, trumpet professor
Indiana University of Pennsylvania
